IMPACTING PROGRAM QUALITY AND FIELD IMPROVEMENT

The Connecticut Network for Children and Youth is searching for business and individuals that are interested in partnering with us to sponsor our 2026 events.

Our events are designed for program directors, site supervisors, program staff and youth development experts from across Connecticut. Your generous sponsorship will assist the Network in ensuring that all participants have a lower cost to attend these events with little or no additional hardship to their organization and participate in engaging, fun & positive experience.

Our prospectus offers a deeper look into each event and all sponsoring levels. Please feel free to contact us via email or phone should you have any questions. The Network board and staff thank you in advance for your support.

Thank you,

EVENTS

Underwriting professional development experiences for field supporting activities is more important than ever as resources dwindle nationwide. These could include sponsoring or co-sponsoring any of our statewide training opportunities.

Afterschool
Conference

We are always looking for spaces to host our leader roundtables. They allow for connections amongst those working in the out-of-school time field that are often isolated in a program or at a site.

Sharing best practice and having a learning community of support can reduce staff turnover and increase program outcomes

It could be supporting a program series for staff development such as “Coaching and Learning for After School Professionals (CLASP), or contributing to events such as our annual Lights on Afterschool Celebration or Afterschool Conference. These would include prominent logo placement, a word from the podium at the start of events, or a slide in the beginning of a training module.

We can customize sponsorships that can span across events and our initiatives. We are eager to find like-minded individuals, companies, or philanthropic partners to build new relationships to provide support for those who support children and families in afterschool programs across Connecticut daily.

The investment into our professional development opportunities nets dividends to the field we serve. Typically 1 staff person works with 10 to 15 children who are impacted by this person’s skills and competencies in programming and activities. Sponsoring professional development experiences allows the Network to develop and re-use content, including sponsorship recognition beyond the initial investment.

Bri, Austin TX**

MARCH 2 - 6, 2026

In-person/Virtual

Connecticut SEL Week is a statewide celebration dedicated to advancing social and emotional learning (SEL) in schools, out-of-school programs, families, and communities. Aligned with National SEL Week and SEL4US, this week brings together educators, youth leaders, parents, and community partners to highlight the power of SEL in fostering resilient, compassionate, and thriving communities.

ABOUT OUR AUDIENCE

National and local SEL supporters and advocates.

2025 OVERVIEW

In 2025, SEL4CT engaged 164 participants in co-hosted virtual events, reached just under 600 newsletter subscribers, and grew social media engagement by 10%.

2025 Goals

1. Educate educators, parents, and youth-serving professionals on SEL practices, frameworks, and applications.
2. Engage local communities in conversations and activities that center on mental wellness, empathy, and belonging.
3. Elevate Connecticut's leadership in whole-child education by showcasing exemplary programs and partnerships.
4. Expand membership, participation, and social impact through outreach and collective action.

WHO ATTENDS

- Infant/Toddler/ PreK Educators
- K-12 Teachers/Administrators
- Community Providers
- After School Providers
- Program Directors
- Parent Leaders

IMPORTANT DATES

- Vendor Registration Deadline: 2/20/2026
- Registration closes one day prior for each workshop.

Connection, Compassion and Community Starts with Us - This year's theme celebrates the many dimensions of well-being—highlighting how movement, empathy, communication, and inclusion come together to build resilience and nurture thriving communities for both youth and adults.

ABOUT SEL DAY

- On this day, we aim to increase visibility and awareness of the benefits of social-emotional learning locally, regionally, nationally, and globally while celebrating the annual International SEL Day.
- SEL4US and The Urban Assembly invite schools and communities around the globe to celebrate International SEL Day.

Fun for the Field started in 2022 as a low stakes way to provide after school professionals resources and the opportunity to network with others in the field. Every year we are expanding vendors and including resources for all our initiatives.

ABOUT OUR AUDIENCE

Primarily attended by Program Directors and Site leaders, the Fun for the Field Resource Fair is open to any program provider looking to diversify their programs offerings. We're constantly looking for new, reputable, educational vendors to ensure providers have access to the many quality resources our state has to offer.

2025 OVERVIEW

Afterschool professionals got a few hours of fun while they explored educational vendors that offered a wide array of programming, from music and magic to sports and science! Each exhibitor provided games & giveaways. We had 30 registered participants.

ABOUT THE RESOURCE FAIR

- Bringing together Afterschool Professionals and Educational Vendors to ensure a diverse array of quality resources for programming.
- Providing a fun, low-stakes professional opportunity for the afterschool workforce.
- Creating opportunities for connections throughout the state.

WHO ATTENDS

- Afterschool Professionals
- Program Directors
- Site Leaders
- Direct Service Staff

IMPORTANT DATES

Afterschool Professionals are often unsung heroes in communities. Underpaid and overworked, these people give back tirelessly. The Annual Lights On Afterschool event celebrates the work and dedication that happens every day across Connecticut.

ABOUT OUR AUDIENCE

This annual event encourages staff in the OST field to attend and enjoy a day dedicated to them. Each year we estimate 100 people to attend including directors, supervisors, direct service staff, vendors, providers and more.

2025 OVERVIEW

In 2025 after school professionals took part in a day of recharging and celebrating each other. We honored individuals during our annual recognition awards ceremony and hosted educator, activist, and community leader Latoya Fernandez as our keynote speaker. The day included Relaxation Stations (Yard Games, Chair Massages, Henna, science activities and more), facilitated by the Network staff, CT Science Center and New Britain ROOTS. We had over 125 participants.

WHO ATTENDS

- 90% Afterschool Program Directors and Site Staff
- 3% Nonprofit Administrators
- 3% School and Govt. Administrators
- 4% Other (Parents, Consultants, Evaluators, Board Members, etc.)

IMPORTANT DATES

- Recognition awards submission deadline: 9/11/2026
- Registration Closes: 9/25/2026

ABOUT THE LOA CELEBRATION

- Lights On Afterschool has been celebrated nationally since 1999 as an effort to highlight the importance of "keeping the lights on afterschool"
- Held at the end of October, 1000's of programs take part across the country.
- As a result of the pandemic, CTNCY held a statewide celebration for the field in 2022.
- The event provides an opportunity for the field to be recognized and highlight the value these professionals have in positive outcomes for children, families, and communities.

NOVEMBER 2 - 7, 2026 Virtual

National STEM Day is Sunday, November 8th. We want to expand, support and celebrate STEM during STEM Week by bringing members of our growing STEM community featuring engaging workshops, experiences and resources that providers can bring to their program. Different activities will be scheduled each day and culminating in person at our Annual After School Conference on Saturday, November 7, 2025.

ABOUT STEM DAY/WEEK

- Sharing a variety of tools and resources that are available to help connect programs to hands-on learning STEM opportunities.
- Workshops and videos of STEM activities to do at programs.
- Discussion and exploration of the best places to explore STEM throughout CT with young people and as an educator.
- Networking opportunities to connect with after school educators focused on STEM learning.
- A formal STEM Track and a designated exhibit space for Afterschool Conference participants.

2025 OVERVIEW

Our inaugural STEM Week featured a variety of different local and national organizations including the CT Science Center, Little to Great Scientists, the Afterschool Alliance, CLASP STEM Core 2025 cohort members, and National Inventors Hall of Fame all took the opportunity to connect with OST educators from around the state and share STEM learning and networking opportunities with STEM Week attendees. Those who then attended the Afterschool Conference got to connect with new STEM Vendors and participate in our third annual Afterschool Conference STEM track!
